In addition to the fact that the rest of Alaska was bombed as well, a total of 531 bombs and everything 150 helicopters were dropped, killing 522 people. This was the first blow suffered by the Hawaiian Islands.

I MEAN YOUR OWNARDS.

ARGHHHHH! YOU RUIN THE AUTUMN FOR OPERATION THAT BEGINS LAST DECEMBER! I THOUGH WE WERE WINNING THAT!

BUT DON'T YOU SEE? THEY ALREADY KNOW ABOUT OUR DEFEAT AT ARDENNES.

WELL THEN, ALL THE MORE REASON TO TEACH THEM A LESSON!

UNFORTUNATELY WE'RE THE ONES BEATING A HASTY RETREAT NOW.

WHILE YOU WERE ON THAT L-BOMB, THE TROOPS TURNED.

DOWN UP, KULFAHSH.

I DEMAND YOU TAKE BACK EVERYTHING YOU JUST SAID!

HOW DARE YOU!

DEFEATING... ENLIGHTENING... I'VE HAD ENOUGH OF YOUR DEFEATISM.

Chapter 30

WALTER
WHERE'S

WAD

Chapter 32

Field Marshal Montgomery crossed the lower Rhine, followed by two airborne divisions.

Further west, general Patton's third army quickly crossed the Rhine at Oppenheim.

I'VE BEEN LOOK FORWARD TO THIS FOR A LONG TIME!

It was here and there that Patton's soldiers found the towns they were trying.

Within twenty miles of Berlin, the anti-aircraft guns were heard from the British's headquarters.

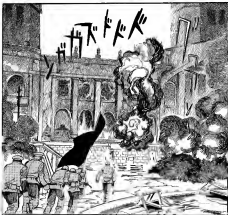

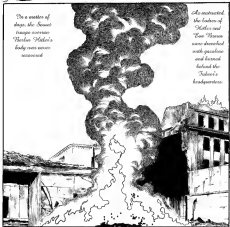

*In a matter of
days, the Soviet
troops across
Hankou. Hsiao's
body was never
recovered.*

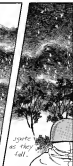

*As instructed,
the leaders of
Hsiao and
Tan Hsuan
were drenched
with gasoline
and burned
behind the
Tobacco
headquarters.*

Chapter 33

The B-29's hurt above
the black clouds here
in Kobe. I am deaf now,
but all I have to do is
touch the mud walls
of the shelter.

...the
dark
works
raining
from
the
sky.

spite
as they
fall.

...TO FEEL THE
EXPLOSIONS OF
THE BOMBS IN THE
DISTANCE, RUMBLING
LIKE DRUMS
FROM HELL.

THE FOUR
BOMBS
FROM THE
B-29'S...

*At first
they
sawd
like a
heavy
rain
above*

*But as they
approach the
ground suddenly
turns into a
high pitched
scream
cutting across
the sky*

*These M44
fire bombs
are also
known as
M44
bombs*

*Each shell
springs forth
forty to
fifty
broad shaped
fireballs
on impact*

While
modern
factories
have been
the main
targets of
the anti-
bomber
movements,
today
these have
been more
dropped in
business and
pleasure districts.

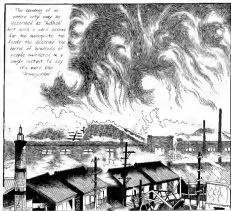

Now everything
is engulfed in a
sea of flames.
Our water-bomber
policy system
doesn't stand
a chance
against such
conflagration.

In fact as the
planes return
from their air
raid on railway
targets they
just drop their
leftover bombs on
whatever lies
underneath them.

The bombing of an entire city may be described as "hellish" but with a word added for too majestic for words the describe the terror of hundreds of people murdered in a single instant, to say it's more like "bravissimo"

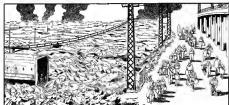

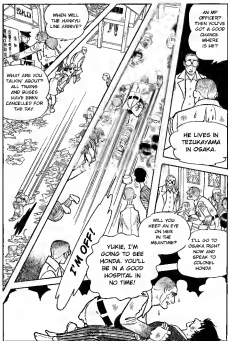

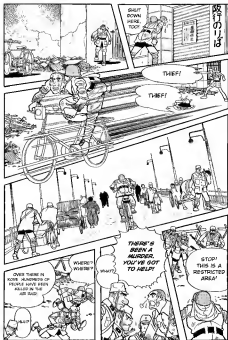

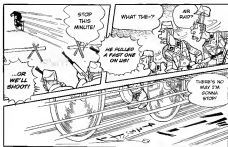

MIL.
HILERS!

WHEN
FIGURED
HOW YOU
ARE SAFE!

ROAD
TOOK OVER
HERE

SO THESE
ARE THE
DOCUMENTS?

YEAH,
THAT'S
HILERS'S
BIRTH
CERTIFICATE

I WON OLD MAN, YOU
LOSE! HA HA TELLER
LACK, BUT

ADOLF,
THOSE
DOCUMENTS
ARE
WORTHLESS
NOW

I'VE DONE IT!

I'VE
SUCCEEDED!

I RISKED MY
LIFE FOR THIS.
I GAVE UP
EVERYTHING
FOR THIS, AND
NOW I'VE
DONE IT!

THE
TOP-SECRET
DOCUMENTS!
THEY'RE ALL
IN MY HANDS
NOW!

THAT'S RIGHT,
THE FUNDING
WAS A JEW!

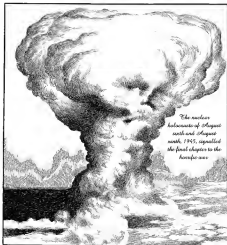

Chapter 34

*The nuclear holocaust of August
eighth and August
ninth, 1945, signalled
the final chapter to the
atomic war.*

*Japan
surrendered
one week
later on
August
fifteenth.*

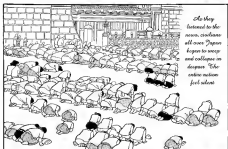

*That the war
ended*

*What does
this in
front of
the
war
mean
for
the
future
of
the
world?*

*It was
another
day
and
another
day*

*As they
listened to the
news, civilians
all over Japan
began to weep
and collapse in
despair. The
entire nation
felt silent*

THE DOCTOR SAID SHE'S A "VEGETABLE" IN OTHER WORDS, SHE'S NO DIFFERENT FROM A TREE OR A FLOWER.

Hard times are coming. Toys
The allies are going to land
soon. We have no food. Please
take care of Victor. We probably
won't meet again. I'm quite
certain. I'll be executed as a
war criminal.

*Many of those who did not
even fight died. Their corpses
decayed everywhere, from
cities to open fields.*

*But new lives were being
born, new lives who knew
nothing of the war.*

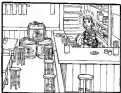

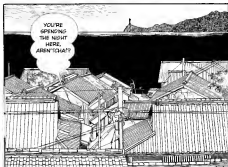

WHAT?
SHE'S
LIVING
AT THIS
PUB?

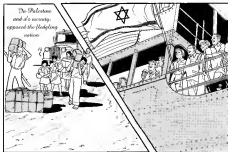

Chapter 35

With the fall of the third Reich and the end of World War II, Jewish refugees founded their own nation, the state of Israel, on May 14, 1948. The new country was soon recognized by the United Nations.

*What we began
what became yet
another long and
terrible war*

*Forces from
surrounding Arab
countries attacked
Israel from all sides*

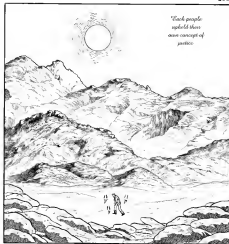

*Countless massacres,
entire villages destroyed,
countless terrorises...*

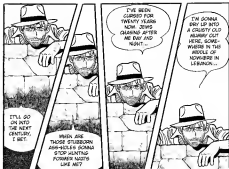

*The Jews fought to
protect their new home-
land and the Arabs
fought to drive out these
Jewish colonisers*

*Each people
upheld their
own concept of
justice*

Years passed

*And as Adolf
Kaufmann was recruited
into the
Polish
Liberation
Organization*

YOU KNOW THAT?

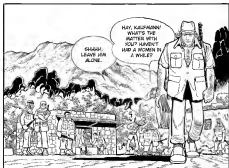

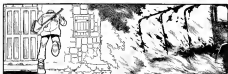

ATTENTION ADOLF!

TO LIEUTENANT ADOLF KAMIL OF
THE 982ND UNIT OF THE 24TH
DIVISION OF THE ISRAELI ARMY. I
MUST SPEAK TO YOU ALONE. IF
YOU READ THIS, MEET ME AT THE
JAZZIN HEIGHTS IN THE NABI AL
ANZA'S DISTRICT NEXT SATURDAY.
I TRUST YOU WON'T AMBUSH ME
-ADOLF KAUFMANN

WHEN YOU DO, ASK HIM IF HE'S GOING TO HAVE AN APPOINTMENT.

WE CAN'T FIND HIM, SIR.

GET KILPATRICK!

THEY'RE POSTED ALL OVER TOWN.

WHAT IS THIS ALL ABOUT, CAPTAIN?

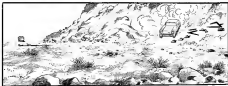

YOU BETTER SHOW UP, YOU KILLER BASTARD JEW!

Saturday, Noon

HERE HE
COMES

WHAT WAS IT
ALL FOR?

I ANSWERED
ONE NATION'S
CALL...
AND THEN
ANOTHER'S...

AND IN THE PROCESS I
LOST EVERYTHING... MY
FAMILY... MY FRIENDS...
EVEN MYSELF...

I'M NO GOOD... AND IT'S
BECAUSE OF REED-DO-
WELLS LIKE ME THAT NATIONS
CAN BRANDISH THEIR
BANNERS OF SO-CALLED
RIGHTFULNESS.

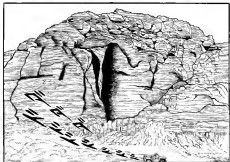

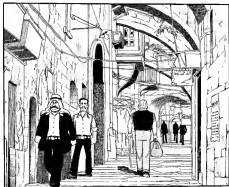

Chapter 36

Israel, 1983

*There is the
story of three
men named
Adolf*

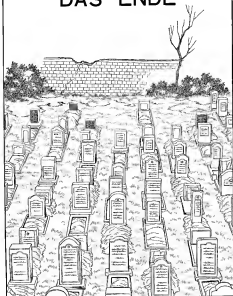

*Now that the
last Adolf has
died, I will recount
the story for those
to follow*

*Each Adolf
lived a life that was
very different from
that of the others two.
Yet the three of them
were bound together
by a single bond
of fate*
